# INTRODUCTION

Whether you want luxurious, intimate, serene, sophisticated, fresh and inviting. All of these words describe a fabulous and restful master bedroom space, a place where dreams are made of — I always strive to bring these features to my client's space.

It's a testament to the principles of timeless design and speaks volumes about the concept of "less is more" when pulling together a truly restful and uncluttered bedroom space.

# QUESTION?

Is a bedroom design service right for me IF?

- ▶ I want a designer look
- ▶ A space to unwind
- ▶ It's outdated
- ▶ My lifestyle has changed
- ▶ Not functional

If you picked at least one reason from the above  
– it's time and we are ready to work with you!

## WHAT TO EXPECT.....

Our approach is to complete your entire bedroom space in a single installation and then the reveal. We manage the entire process, from start to finish.

We follow a proven process prior to beginning your project to ensure the best client experience possible.

The investment for our service involves a flat design fee. Your products, materials, finishes, furnishings and décor will be billed separately.
