

Is your bathroom 20 or more years old and screaming for a new updated design? Yes, that's my bathroom Patrinaasking for help!

Whether you want luxurious, intimate, serene, sophisticated, fresh and inviting. All of these words describe a fabulous and transformed space – I always strive to bring these features to my client's space.

It's a testament to the principles of extraordinary design and speaks volumes about the concept of "less is more" when pulling together a truly restful and uncluttered functional space.

There are so many reasons why you should renovate your bathroom. I will provide you the top 5 reasons.

1. Need more storage space
2. Proficiency and sustainability
3. Obsolete design – (most bathroom fit in this one)
4. Add value to the home
5. Make it more functional

If picked at least one reason from the above – it's time and we are ready to work with you!

What is a Full Bathroom Renovation Service?

My Full Bathroom Renovation Service is our very best package and design service we offer at Carey Interior Designs. Our exclusive 3 phase design process will take your space from empty to OH WOW!

We plan and manage all aspects of your project from start to finish.

Our approach is to complete your entire bathroom space from demolition to the final reveal completed project. We manage the entire process, from start to finish.

We follow a proven process prior to beginning your project to ensure the best client experience possible.

The investment for our service involves a flat design fee. Your products, materials, finishes, furnishings and décor will be billed separately.

What you can expect from your 60-minute Design Consultation:

- Thoroughly discuss your project ideas to assess the scope of work.
- Walk through your space(s) to determine functionality and lifestyle design.
- Present the Design Process and set expectations.
- Schedule follow up to present next steps in the design process.

Step One

You will begin by filling my contact information form and click submit.

Step Two

You will begin by purchasing the Design Consultation Fee to get started.

Use the Appointment tab to view Patrina's calendar and book your 60-minute appointment.

We will spend a total of 60-minutes, on-site or virtually, conducting a deep dive assessment of your project to gather information that is essential to our partnership. We will drill down to understand and listen to your thoughts and expectations of the

project and walk away with a high-level of understanding of the scope for the project you are requesting.

At the close of this appointment, we will begin to create your Scope of Work and move into Step Three.

Step Three

You will receive a Consultation Letter of Agreement & Scope of Work for your review and sign-off.

Upon receipt of your signed Consultation Letter of Agreement & Scope of Work a 50% deposit for the Designer Fee is required. The fun begins and Patrina will start creating and putting together your new design for your space.
